Baseball Tryouts

Dear prospective player:

You must have your physical packet, with all of the necessary signatures, insurance, and doctor information turned into the athletic director prior to trying out for baseball. **THE DEADLINE FOR TURNING IN YOUR PHYSICAL PACKET IS FRIDAY, SEPTEMBER 9th.**

Tryout dates and times:

Tryout # 1 Sat. Sept. 10 10 am

Format: Ground Balls, Fly Balls, running 60 yard time, hitting, bull-pens and catching.

Tryout # 2 Tue. Sept. 13th 3 pm

Format: Scrimmage

Tryout # 3 Sat. Sept. 17th 10 am

Format: Scrimmage

Tryout # 4 Sat. Sept. 24th 10 am (If necessary)

Format: Scrimmage

All fall and winter sport athletes should see me personally if there is a scheduling conflict. Dress in baseball attire and bring any baseball equipment you may need. If you are a catcher and have your own equipment, bring it. Unfortunately, there will be cuts. The top 15 to 19 players will make it.

The tryout process is lengthy and there will be a series of cuts before the final teams are formed in September. You will not be allowed to register into 6th period baseball class until after the final teams are made. Your class schedule will be readjusted at the end of the tryouts. If there is a class scheduling conflict, then you will be moved into the baseball class at the beginning of the second semester. Remember, tryouts start at the designated times. Be punctual.

Good luck,

Coach Faris
